**FAVORITE HOME PAPER.**

Why the Twice-a-Week Republic has Achieved Wide Popularity.

Established for nearly a century and read regularly by more than 500,000 persons in the West and Southwest, the TWICE-A-WEEK REPUBLIC of St. Louis can justly lay claim to that enviable distinction, "Favorite Home Paper."

It is great because it has always aimed to inform, instruct and entertain its readers on all matters of public and home interest. In 1904 it will be especially interesting and valuable. Here are some reasons why you should subscribe for it:

This is campaign year, and you will want to be informed of the movements of party leaders, reports of the great National and State conventions, the progress of the campaign, reports of the elections, etc.

You will want to know all about the World's Fair, to be held in St. Louis from April 30 to December 1, 1904.

You will be interested in and kept well informed by the Farm Visitor, a regular supplement of the paper, prepared especially for the farmer and his family.

You will want to know what the world is doing in every field of activity, and through the unsurpassed news and special service of the TWICE-A-WEEK REPUBLIC you will not be disappointed.

In short sketches, choice bits of fiction, articles of interest to women, children and the home, fashion hints and helpful household suggestions the TWICE-A-WEEK REPUBLIC easily leads among the weeklies of the great West.

If you want the TWICE-A-WEEK REPUBLIC sent to your address, order it at once direct from the office at St. Louis, Mo., or through your local newsdealer. It costs only \$1 a year.
